

MATOC Task Order Solicitation 06-0002-03
"Administrative Support Services for the Office of Naval Research
Business Operations and Services Directorate"

Question and Answer

Question Number 1: The Level of Effort lists 1920 hours during the base and each follow on option, with 960 hours per 2 labor categories. Is it the intent to conduct this work with on-site part time labor?

Answer Number 1: The intent is to conduct this work with on-site part-time labor. Onsite coverage will range from 2-4 days per week depending on the level of workload at the time. This coverage may consist of 1 or both individuals for part of the time. It will not require both all the time.
